Contract Window: July 1, 2020- June 30, 2021

Contract hours vary, depending on the need and are not guaranteed to occur on a regular weekly basis. This position is not a full time position.

Minimal Qualifications:
- Current Georgia SRT teaching certificate in Special Education Adapted Curriculum or General Curriculum
- Ability to develop, implement, monitor, and evaluate professional learning goals and activities
- Proficiency with integrating a variety of technology into adult professional learning
- Excellent written and oral communication, organization, and interpersonal skills
- Flexible work hours, including evening and weekends
- Consistent, positive interactions with all participants and stakeholders in a professional manner
- Ability to manage time efficiently
- Valid driver's license and dependable transportation

Preferred Qualifications:
- Minimum of five years of experience as a teacher, academic coach, school or district leader in the area of special education
- Experience in developing, coordinating, and facilitating professional learning for educators in the areas of Co-Teaching, Specially Designed Instruction, Special Education FTE and reading
- Committed to professional growth
- Commitment to ongoing professional learning based on identified needs

Northeast Georgia RESA is an equal opportunity employer. All aspects of employment including the decision to hire, promote, discipline, or discharge, will be based on merit, competence, performance, and business needs. We do not discriminate on the basis of race, color, religion, marital status, age, national origin, ancestry, physical or mental disability, medical condition, pregnancy, genetic information, gender, sexual orientation, gender identity or expression, veteran status, or any other status protected under federal, state, or local law.
Specific Responsibilities:
- Create, facilitate, and assess effective face-to-face and virtual classes for adult learners
- Identify essential learning targets, standards, and tasks for adult learners in the area of supporting students with disabilities
- Train, coach, and provide technical assistance to Northeast GLRS districts in planning, facilitating, and evaluating district reading initiatives
- Communicate regularly and effectively with GLRS staff regarding participant progress in courses. Provides additional technical assistance to participants as needed
- Research, develop, and facilitate professional learning activities that promote effective instruction for students with disabilities and effective instructional strategies for teachers
- Develop and deliver professional learning, technical assistance and coaching in both virtual and face-to-face formats
- Foster ongoing communication between all stakeholders related to course participation
- Maintain and catalog records necessary for monthly, quarterly and annual report completion
