Public Participation at Board Meetings

All meetings of the Board of Control are open to the public except as provided by law. It is the policy of the Board to hear all citizens who desire to be heard. However, to ensure a hearing at a particular meeting, a notice of 3 days in advance of the meeting shall be given to the secretary of the Board. If advance notice is not received, the Board reserves the right to approve and limit the time of each presentation.

Public comments are intended for the Board to hear comments or concerns without taking action. Unless an extension of time is granted, the public comments may not exceed three (3) minutes. Time cannot be shared or passed to other citizens.

The Board chairperson, or other presiding officer, shall be responsible for calling on all speakers, for maintaining order, for adhering to the time limits set, and has the authority to terminate the remarks of any individual when he/she does not adhere to the rules and guideline established. Criticism of RESA personnel is not appropriate at public meetings.
